

The Coastal America Awards Program

Call for 2011 Nominations

“Congratulations on receiving the Coastal America Partnership Award...I applaud and support you in your efforts to bring together collective resources to meet common goals and better our coastal environment.” *Barack Obama* - April 2009

The Coastal America Awards Program, established in 1997, recognizes outstanding efforts and excellence in leadership for protecting, preserving and restoring the nation's coastal resources and ecosystems

Criteria for Partnership and Spirit Awards

- At least one federal agency and non-federal entities must be involved in the project. Distinction between Partnership and Spirit Awards will be based on the scope and magnitude of the partnering effort & resultant project benefits.
- The project must demonstrate a significant & innovative contribution to the Coastal America objectives to protect, preserve and restore the Nation's coastal resources and/or to increase public awareness and education regarding coastal issues.
- The project should demonstrate the accomplishment of shared goals with positive environmental results.

The Treasure Coast Invasive Species Team, FL received 2010 Partnership Award

Criteria for Special Recognition Awards

- Must be a non-federal organization.
- Organization must demonstrate a significant or innovative contribution to coastal restoration, preservation, protection, and/or an increase in public awareness and education concerning coastal issues.

Maryland Port Administration received 2010 Special Recognition Award for Masonville Project
